

SEEMS A LITTLE CRAZY!

SEEMS A LITTLE CRAZY!

Has this ever happened to you?

You're talking with a friend about needing a new pair of shoes...

A few hours later, all you see are ads for shoes.

You're convinced your phone is listening to you.

The Truth: It's More than Just "Listening"

Your phone might be listening... but there's a lot more happening behind the scenes.

Even when you think you're "offline," you're being tracked.

The bottom of the slide features a series of overlapping, wavy, dark gray shapes that create a sense of depth and movement, resembling a stylized landscape or a series of ripples.
